Independent Auditor's Report

To the Board of Directors Cornerstone Community Outreach Chicago, IL

We have audited the accompanying statement of financial position of Cornerstone Community Outreach (a non-profit organization) as of December 31, 2010, and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior-year summarized information has been derived from the Organization's 2009 financial statements, in which we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cornerstone Community Outreach as of December 31, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated June 24, 2011 on our consideration of Cornerstone Community Outreach's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information, as listed in the accompanying table of contents, is presented for the purpose of additional analysis and is not a required part of the basic financial statements. In addition, the accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and are not a required part of the basic statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statement themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1 – Nature of Operations and Summary of Significant Accounting Policies

Organization

Cornerstone Community Outreach is a not-for-profit Illinois corporation exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code. The Organization is not considered to be a private foundation. The Organization was formed in 1990 to operate a charitable community development program that improves the quality of life for disadvantaged, displaced and underprivileged people in the Uptown neighborhood of Chicago.

The programs that address the individual needs and different stages towards permanent housing are:

Permanent Housing

Leland Permanent Housing with Supportive Services - located a few blocks from Cornerstone Community Outreach offices, this site offers permanent housing to 18 families comprised primarily of women with children. These families live in 2 or 3 bedroom apartments and receive support services. This program supports families whose needs continue beyond affordable housing, and provides these mothers with both affordable housing and tools to build a more stable future for themselves and their children.

Chronic Homeless Initiative - this program is permanent housing with supportive services for the chronically homeless. It provides rent subsidies, additional supportive services and direct client assistance dollars as needed on a case by case basis.

Interim Housing for Families and Single Adults

These shelters provide approximately 120 days of housing, nutritious meals, clothing, group and individual counseling, individualized case management, nursing, as needed mental health assessments, life-skills training, substance abuse counseling, money management, job assessment, job readiness, job referral, computer training classes, housing relocation assistance, and afterschool programs for kids. These programs operate year round and include:

Hannah Interim Housing – shelters 65 women with children and a small number of couples with children. This program is handicap accessible. As the Organization's longest running shelter program for over 20 years, it has enabled hundreds of families to move from homelessness to stable housing.

Naomi Interim Housing – serves 190 single women and men. Providing 24 hour shelter and casework services including the other services mentioned above.

Sylvia Interim Housing – serves over 160 women with children, men with children and couples with children and has been welcoming homeless families since 2001. This program supports these family groups and gives them much needed shelter and services.

Supportive Services

In addition to the housing services, individual support services are offered including:

Computer and Life Skills offering life-skills training, substance abuse counseling, money management, job assessment and referral, computer classes, and housing relocation assistance.

Other Programs

Dinner Guest Program serves 175 - 250 nutritious free meals one day per week to anyone in need.

Childcare Program provides tutoring and recreation for Hannah and Sylvia House kids, ages five through ten, Tuesday through Friday from 2:30 to 4:30 p.m. Activities include teambuilding games, strategy and learning board games, outings, art projects, sports, and onsite summer camps.

Food Bag Program hands out more than 200 food bags each week to those in need in the area.

Community Support Advisory Council assists ex-offenders in their transition back into society.

The Free Store allows individuals walking through the doors to receive household items and clothing. The items in the Free Store are from many sources, but mostly from the kindness of individuals who want to donate what they have.

Income Tax Status

Cornerstone Community Outreach was granted an exemption from federal income taxes by the Internal Revenue Service pursuant to the provisions of Internal Revenue Code Section 501(c)(3). The Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(vi) and has been classified as an organization that is not a private foundation under Section 509(a)(1). The tax exempt purpose of the Organization and the nature in which it operates is described above. The Organization continues to operate in compliance with its tax exempt purpose.

The Organization's annual information and income tax returns filed with the federal and state governments are subject to examination for the statutory period.

Basis of Accounting

The accounts and financial statements are maintained on the accrual basis of accounting and accordingly, reflect all significant accounts receivable, payable, and other liabilities.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted net assets, as required by Generally Accepted Accounting Principles (GAAP).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of the revenues, expenses, gains, losses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Cash

Cash consists of bank deposits in federally insured accounts. At December 31, 2010, the Organization's cash accounts were within federally insured limits.

Property and Equipment

Expenditures for property and equipment and items, which substantially increase the useful lives of existing assets, are capitalized at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets, which are:

Building and improvements	7 - 30 years
Furniture and equipment	5 - 7 years
Vehicles	3 - 5 years

Support and Revenue

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. If a restriction is fulfilled in the same time period in which the contribution is received, the Organization reports the support as unrestricted.

The Organization reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations regarding how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service. The Organization did not receive any long-lived assets during the year ended December 31, 2010.

Government Contributions

Support funded by government contracts, which qualify as conditional promises to give, are recognized when the condition of performing the contracted services is met. Revenue is therefore recognized as earned as the condition of eligible expenses are incurred. These expenditures are subject to audit and acceptance by the granting Organization and, as a result of such audit, adjustments could be required.

Concentration of Risk

During the year ended December 31, 2010, the Organization received approximately 71% of its funding from various government agencies and 18% from Jesus People USA. Following is a breakdown by funding agency of the portion of the Organization's revenue from government agencies for the year ending December 31, 2010 and the grants receivable at December 31, 2010:

		Government
	% of Total	Contributions
	Revenue	Receivable
Chicago Department of Family and Supportive Services	53%	82%
Chicago Department of Community Development	3%	7%
U.S. Department of Housing and Urban Development	8%	0%
Illinois State Board of Education	7%	11%
	71%	100%

Donated Services

Contributions of services are required to be recognized if the services received (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. For the year ending December 31, 2010, the Organization did not receive any donated services meeting these criteria.

There are, however, a substantial number of volunteers who donate their time toward the activities and success of the Organization, the value of which, is not recognized under generally accepted accounting principles. During the year ending December 31, 2010, these volunteer hours exceeded 62,985.

In-Kind Contributions

In addition to receiving cash contributions, the Organization receives in-kind contributions from various donors. It is the policy of the Organization to record the estimated fair value of certain in-kind donations as an expense in its financial statements, and similarly increase donation revenues by a like amount. For the year ended December 31, 2010, this amounted to \$83,591 in donated food received and distributed.

Compensated Absences

Employees of the Organization are entitled to paid vacation, sick and personal days off, depending on job classification, length of service and other factors. The Organization's policy is to recognize the costs of compensated absences when actually paid to employees. The estimated liability is not material at December 31, 2010, and therefore, no accrual has been recorded in the accompanying financial statements.

Functional Expenses - Allocation of Joint Costs

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited, based on time analysis, space utilization, and unit consumption.

Comparative Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class, which does not provide sufficient detail to constitute a presentation in conformity with U.S. generally accepted accounting principles. Accordingly, such prior year information should be read in conjunction with the Organization's audited financial statements for the year ended December 31, 2009, from which the summarized information was derived.

Note 2 - Conditional Promises to Give

The Organization has received the following conditional promises to give which are not recognized as assets in the statement of financial position as of December 31, 2010:

The Organization received \$83,591 in Federal non-cash awards during the year ended December 31, 2010.

Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with Government Auditing Standards

To the Board of Directors of Cornerstone Community Outreach Chicago, IL

We have audited the financial statements of Cornerstone Community Outreach as of and for the year ended December 31, 2010 and have issued our report thereon dated June 24, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered Cornerstone Community Outreach's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Cornerstone Community Outreach's internal control over financial reporting. Accordingly, we do not express such an opinion on the effectiveness of Cornerstone Community Outreach's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the accompanying schedule of findings and questioned costs, we identified certain deficiencies in internal control over financial reporting that we consider to be a material weakness.

A *deficiency in internal control* exists when the design of operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying scheduled of findings and questioned costs as item 10-01 to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Cornerstone Community Outreach's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Cornerstone Community Outreach's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. We did not audit Cornerstone Community Outreach's responses and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the audit committee, management and Federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditor's Report on Compliance with Requirements Applicable to Each Major Program and Internal Control over Compliance in Accordance with OMB Circular A-133

To the Board of Directors Cornerstone Community Outreach Chicago, IL

Compliance

We have audited the compliance of Cornerstone Community Outreach, with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended December 31, 2010. Cornerstone Community Outreach's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Cornerstone Community Outreach's management. Our responsibility is to express an opinion on Cornerstone Community Outreach's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Cornerstone Community Outreach's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Cornerstone Community Outreach's compliance with those requirements.

In our opinion, Cornerstone Community Outreach, complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended December 31, 2010.

Internal Control over Compliance

The management of Cornerstone Community Outreach is responsible for establishing and maintaining effective internal controls over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Cornerstone Community Outreach's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Cornerstone Community Outreach's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the audit committee, management and Federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

CORNERSTONE COMMUNITY OUTREACH SCHEDULE OF FINDINGS AND QUESTIONED COSTS For the Year Ended December 31, 2010

Section II - Financial Statement Findings

Material Weaknesses

10-01Preparation of Generally Accepted Accounting Principles (GAAP) Financial Statements

Condition: We noted an absence of monitoring and knowledge in the preparation of financial statements that are fairly presented in conformity with generally accepted accounting principles (GAAP).

Criteria: This absence of fiscal monitoring controls and knowledge does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements in a timely manner.

Cause: This material weakness is due to a combination of the accounting department needing additional training and a lack of monitoring which may have identified the additional journal entries required to present GAAP financial statements.

Effect: Several significant and material adjustments were required to prepare the financial statements in accordance with GAAP for the year ending December 31, 2010.

Auditor's Recommendation We recommend that someone independent of the report's preparation (who is knowledgeable of GAAP, including specific not for profit pronouncements) review the statements to ensure all transactions have been properly recorded.

Grantee Response: CCO has obtained the services of a new staff member to address this issue. The new staff member has experience in the areas noted, and we believe will be able to suggest to the Board ways to correct this issue and implement as needed.
